Arts & Culture eNewsletter

April 2016

The 2016 **Ballarat Backyard Tasters** ended on a high note, hosting the farewell for friends & family members heading to Rome to witness the testimony of Cardinal George Pell and then swinging into the sweet night with the voices of **Anna Oliphant-Wright, Market Lane and the Drowsy Maggies**.

**Many thanks to Ballarat, our loyal audience, generous supporters, vendors and artists for making this another great year for keeping local music live & lively in our town!**

# Arts & Culture Out & About

Fashionistas & those who love them came to the fore with the **Backspace Gallery** opening of **cut**, a survey exhibition curated by **laurene dietrich** and inspired by the extensive vintage fashion collection of **Dorothy Nicols**, exploring the wilder horizons of contemporary garment concept, design & construction.

**Congratulations to Arts & Culture's own Public Art Coordinator Julie Collins**, who dazzled

in her *other* day job of curating the **2016 Lorne Sculpture Biennale** and special **Wye River Project**, bringing the work by a line-up of regional arts favourites **Josh Muir, Tas Wansbrough, Pauline O'Shannessy-Dowling, Jill Orr, Jodie Goldring, Anthony Sawrey, Mary van den Broek, Barry Wemyss, Lisa Anderson, Kim Percy, Dawn Whitehand, Kate Vivian, Rosalind Lawson, and Julie Collins + Derek John**

to new audiences visiting from across Victoria. The **Lorne Sculpture Biennale** continues through **Sunday, 3 April**, so get down & see for yourself!

**Diversity Week** created an opportunity for artist **Rose Turtle Ertler** to reprise her performance piece **Light At The End Of The Tunnel** from November's **24 Hour Experience: Ballarat** set in the Mair Street Pedestrian Tunnel, using refugee & support community voices to tell personal stories about their experiences of starting new lives in Australia.

# More Arts & Culture Out & About

A media call brought local newshounds out to **Huyghue House** to catch **Cr. Vicki Coltman** spruiking the **Ex Votos** outdoor installation created by artist **Jodie Goldring & 250 community participants** during the **Arts & Culture Summer Holiday Workshops** - AND omnibus **Backspace Gallery** exhibitions **The Welcome Mat, Postcards From Ballarat, Memory Keepers & Kinetic Sculptures**, supporting the 2016 **Ballarat HarmonyFest** multicultural celebration.

Speaking of all things **HarmonyFest**, the day was full-on for guest artist **Jodie Goldring**, busy guiding **Ex Votos** workshop participants in creating more beautiful works to dress **Huyghue House** in her finery.

The **Ex Votos** outdoor installation continues at Huyghue House through 6 April.

# Even More Arts & Culture Out & About

**Backspace Gallery** opened an array of compact exhibitions during **Harmony Fest**, each exploring aspects of identity and sense of place, and all a testament to the power of social capital!

Special guest & curator **Lella Cariddi** (right, above) of **Multicultural Arts Victoria** launched the pocket show **Memory Keepers**, a small component of the larger MAV *What Happened At The Piers* project gathering artifacts & stories of people whose migration to and new life in Australia took them through Port Melbourne's Station & Princes Piers

While **Ex Votos** danced and the Harmony Fest performances enlivened the day outside, guests also enjoyed hearing about the origins of **The Welcome Mat** through work by delegates to the **2015 National Basketry Gathering**, exploring in the **100+** impressions of Ballarat provided by participants in the **Postcards From Ballarat** show, and watching the movements of the **Exquisite Space Kinetic Sculptures** by local artist **Ismiadi**.

# More Arts & Culture For More People

Arts & Culture's continued support for **Ballarat Arts Alive** has allowed the group to expand its networking events into new & unusual realms. In its latest incarnation, the BAA **Arts Bus** took its members to the historic **Mooramong Homestead** for a 30's Pool Party. Photos courtesy of Aldona Kmiec

The **Friends of Learmonth** and **Ballarat Public Art Committee** are proud to announce the completion of the **Flock** installation in Learmonth's **Richmond Park**, representing the flight of ibis around nearby Lake Learmonth.

Supporting local & regional artists by exhibiting quality contemporary visual art, design & craft

Open Thursday - Sunday 12 - 4pm

**In *Between Lines*, a theatre-maker and a visual artist share family letters, documentation, conversations, archival images – and their respective skills - in exploring different perspectives on the experience of WWI.**

**Carol Kite** is an award-winning printmaker whose work incorporating drawing, painting and found objects presents both as wall-hung artwork and as articulated panels that can be approached as artist books and as small sculptures. Illustrating the written words of three brothers from Ballarat, expressing their longing for home, the episodic nature of her images become a visual diary of a series of places, memories and experiences linked by the themes of duty and loss.

As a theatre-maker, **Tammie Kite** is noted for creating work with a strong connection to storytelling, music and design. Artistic Director of Melbourne's INNATUM Theatre, she guides explorations of human experience from sublime, light-filled moments to the realm of terror and shadows. In ***Between Lines***, Tammie concentrates on the passing of information between home and the war front through the ephemeral media of radio broadcasts, propaganda, carrier pigeon messages.

While this indirect communication lacks the immediacy of personal letters, it establishes the faceted background to the experiences at the foundation of this exhibition.

Carol and Tammie Kite are invested in engaging community response to their expression of how their family experienced WWI.

**Ballarat RSL President Alex Tascas** will open ***Between Lines*** on **Saturday, 9 April from 2pm** by speaking about her organisation's commitment to conserving its remarkable collection of WWI artifacts.

Recognising the invaluable support that animals provided throughout WWI – as transport, sentries, scouts, messengers, companions – the artists are also hosting a special '**Dogs In War' Day on 16 April**, when visitors are invited to bring their leashed pets to **Backspace Gallery** in honour of the role of canines on the war front.

Rounding out their creative conversation with the Ballarat community, ***Between Lines*** will close with an afternoon of **Artist Talks on Sunday, 1 May**, in which Carol and Tammie will outline the trajectory of their individual practices and how that has fed development of work for this collaborative Backspace Gallery show.

## LGBTI MULTICULTURAL GRANTS

The Victorian Government values and celebrates diversity. Gender and sexual diversity is found in all societies and amongst people of all faiths, and just as we respect and celebrate cultural and religious diversity, we respect the diversity of gender and sexuality that exists in our community. We affirm the right to equality, fairness and decency for Lesbian, Gay, Bisexual, Trans and gender diverse and Intersex (LGBTI) Victorians and we are committed to removing discrimination from Victorian laws, services and society.

LGBTI people often face violence and discrimination because of prejudice and a lack of understanding. Cultural values and religious beliefs are major factors that confront culturally diverse LGBTI people. In addition racism within LGBTI communities, can make it harder for culturally diverse LGBTI people to feel accepted and access the support and services they need.

LGBTI people experience higher levels of anxiety, depression and significantly higher rates of suicide compared to heterosexual counterparts. It is important to recognise that marginalisation and discrimination are the predominant contributing factors, rather than gender and sexual diversity.

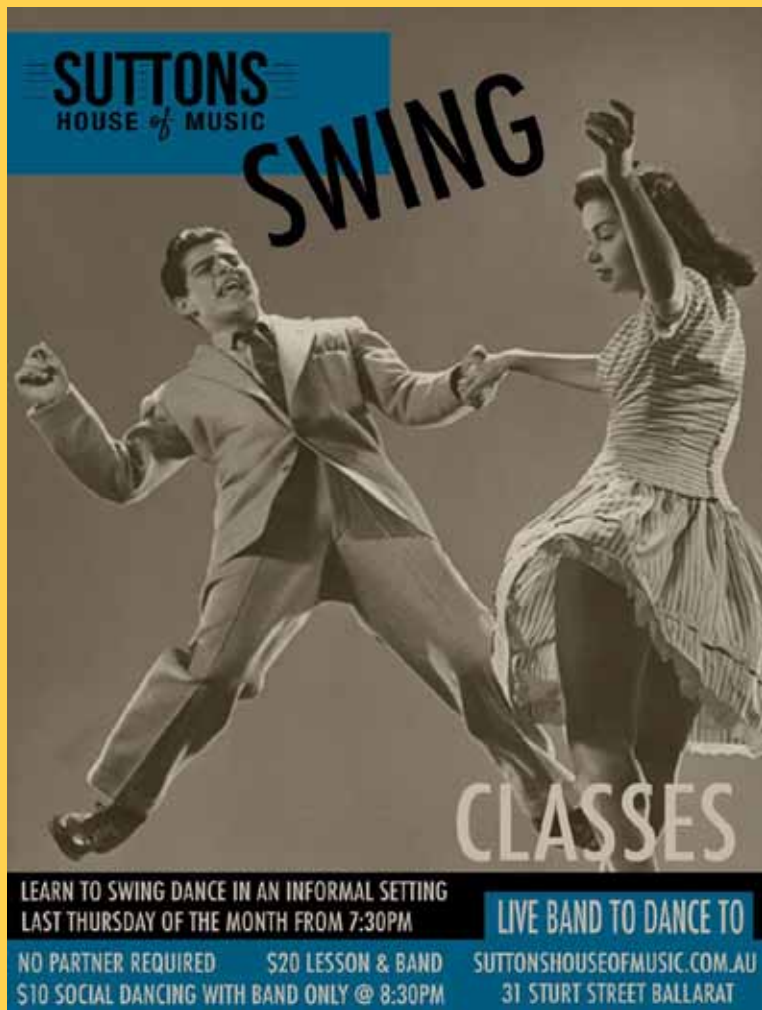

The LGBTI Multicultural Grants announced by the Victorian Government will support capacity building and inclusive services and programs for culturally diverse LGBTI people.

### Priorities for LGBTI Multicultural Grants

- Working with LGBTI communities and organisations to support them to be more inclusive of people from culturally diverse backgrounds.
- Working with faith based and culturally diverse communities, particularly recently arrived and emerging communities, to increase acceptance of LGBTI community members.
- Increasing opportunities for peer support for LGBTI people from culturally diverse backgrounds. Building the capacity of LGBTI culturally diverse community groups.
- Working with CALD services to make them more LGBTI inclusive, and with LGBTI services to make them more inclusive of cultural diversity.

# GRANTS & FUNDING

## **Before You Start**

Before you begin your research on funding, it's important to break down your project & consider what your needs for funding actually are.

- Is yours a community project that will engage otherwise underserved people or help them to develop new skills?

- Are you working on an event and needing funds to pay for artists?

- Do need help with materials & marketing?

- Does your project incorporate community health, education or an artist working in residence in your community?

If you fully understand your project & why it is being created, you will be better placed to find the funds you need for specific areas of your activities.

## **Some Possible Funders:**

### **Regional Arts Victoria**

<http://www.rav.net.au>

Providing project support for new works engaging & strengthening local capacities in rural & remote communities across Victoria.
